Accommodation ranges from bedrooms to houses. A number of units have a modern layout combined with some rustic features as exposed stone-wall. There is a restaurant on site, serving traditional Portuguese cuisine at breakfast, lunch and dinner. There are also seasonal menus available.

Guests can relax by the pool after a mini-golf, tennis, and badminton game. A foosball table is also available indoors, as well as table tennis and darts. Grape picking is also available for guests who want to participate on farm activities.

The A11 motorway is 2 km from Lousada Country Hotel, and Porto International Airport is less than 20 minutes driving.
