This was the 4th partners' meeting, virtually hosted by the slovaian partner Ngo Društvo za razvijanje prostovoljnega dela Novo mesto.

Lot of ideas emerged during the meeting for next steps of project implementation of the Yes volunteering Erasmus+ project.

Within the end of January 2020 two project outcomes will be published and will be available for free download from the project website: [yesvolunteering.weebly.com](https://www.yesvolunteering.weebly.com), specifically following tools it will available for social workers:

It's not all about the project..in fact the partnership is also finalizing a collection of infographics, aimed to promote the benefits of volunteering toward disadvantaged targets, with special regard to Disabled people, Immigrants, Neets. Unemployed people, people facing Economic or Geographical disadvantage.

The partnership will do everything possible to meet in person before the end of the project. **Next meeting it is planned to be held in Turkey. Turkish partners will check the possibilities where project partners could meet (Ankara, Istanbul, Antalya). **Final meeting will be hosted by project partner, the Association Deses3 in Spain.**
